SAFE PHARMACEUTICAL DISPOSAL BINS

Expired/Unused Medication

We accept expired or unused medication with the exception of controlled substances (i.e. morphine, oxycodone, etc)

Pills should be dumped into one zip lock bag and you can recycle the bottles at home. Any medication that is not in pill form should be left in its original container, although you should scratch off the patient's name and prescription number. These containers should be placed in a second, separate zip lock bag.

Syringe/Sharps Disposal

We accept syringes and sharps in our lobby during business hours.

Syringes and/or sharps need to be placed in a rigid, sealed container before being placed in our sharps receptacle.

If our bin is full, another option for syringe disposal is San Ramon Valley Fire District, 1500 Bollinger Canyon Road, San Ramon also (925) 838-6640

510 La Gonda Way
Danville CA 94526
